

# Hiawatha College Prep- Northrop

Week 3: May 11-15

## A Message from the Principal

"Children are our priority. Change is the reality. Collaboration is the strategy." -Judith Billings

We have been in distance learning now for close to 2 months. In the course of 2 months, scholars shifted their daily in-person school routine to a virtual school routine. Some scholars had to learn to navigate both completing coursework and helping their siblings at home. Other scholars had to learn how to use technology in a new way for the first time. Others had to learn how to manage their time to make sure they completed all of their assignments without their teacher present to help them. The truth is that our world is forever changed due to Covid-19. Thanks to you and your support as parents and guardians of our students, we have been able to get students online to do classwork so they do not fall behind. Now, I am asking for your help again. We originally planned to have conferences last quarter. However, we did not due to Covid-19. Our goal is to have conferences this quarter so you understand the progress your student has made this year. More information to come in the upcoming newsletter. Additionally, our intent to return survey is out. To secure your spot, please fill it out.

As always, if you have questions or would like to connect, please reach out to me directly at: [bmartinez@hiawathaacademies.org](mailto:bmartinez@hiawathaacademies.org) or 262-664-0952

Sincerely, Ms. Martinez- Cruz
