

# Hiawatha Leadership Academy- Northrop

May 26 - May 29

## A Message from the Principal

Dear families,

This week I am excited to share more information about the opportunity for our K-4 students to continue distance learning over the summer.

Please check out the details below. If you have any questions about the summer learning opportunity, please call our summer learning line at **(612) 460-1721**.

One other important announcement- this Friday student progress reports will be uploaded to Seesaw. You can login to your child's account to see their progress report loaded into Seesaw Friday morning! Your child's teacher will talk more about the contents of the progress report during your end of year conference. Thank you for your ongoing partnership through this pandemic and distance learning. We are grateful to you for allowing us to support your child and you in this time. As always, reach out with any needs or questions!

Thank you,  
Mr. Nate (952-237-3632)

---

### Food Distribution Information

Due to the Memorial Holiday, this week's food distribution will happen on **Tuesday May 26**.

**When: TUESDAY May 26, from 10am-1pm**  
**Location: 3500 E 28th St, Minneapolis, MN 55406**

## Family Led Summer Learning Overview

**Who:** All **K-4 Hiawatha students** are encouraged to participate. If you choose to enroll your child, you will need **one family member or caretaker** to support the student with their summer distance learning. This person can be a parent, grandparent, babysitter, older sibling (in grade 9 or higher) or another relative.

**What:** The program is designed to be practised **5 days** (any days you choose) a week, for **2 hours** daily. Each day students will complete:

- 20 minutes - **Handwriting practice** in a workbook that Hiawatha Academies provides
- 30 minutes - **Literacy skill practice** in an online program called Amplify Reading
- 30 minutes - **Math practice** in a online program called ST Math
- 20 minutes - **Independent reading** using books at home or books on Epic
- 20 Minutes - **Reading aloud** (by family member or caretaker) to the child using books at home or on Epic

**When:** The summer learning program will last for **7 weeks, from June 8 to July 24**.

**Where:** At your home! Or wherever your student will spend the majority of their time this summer.

**Why:** This will allow students to practice, master and retain any skills that they have been working on throughout this school year and prepare students to be successful in the upcoming school year at Hiawatha Academies.

**How:** Click [here to register](#) your child for the Family Led Summer Learning Program. Video tutorials and guides for each component of the program will be posted to Hiawatha's website and shared with families. These tutorials are designed to help family members feel well prepared to support their children over the course of the summer learning program.

Additionally, a Hiawatha staff member will be available to support with any challenges that arise for students, but they will not be providing regular support or instruction.
