A Message from the Principal

"What you get by achieving your goals is not as important as what you become by achieving your goals."— Henry David Thoreau

We are only two weeks away from finishing up the school year. It feels like just yesterday we stepped foot into our building to welcome our 5th and 6th grade students. Time flies and we continue to miss them immensely. Before we close-out the school year, we want to make sure to connect with you, our most important partners in this work. For this reason, we are hosting conferences the week of June 1st. Fifth grade students will have conferences June 1st and 2nd and sixth grade students will have conferences June 3rd and 4th. During conferences we will discuss how your student did during distance learning and summer learning opportunities to the momentum we had during quarter 4. This is an opportunity we would love to hear from you to see how you think distance learning went and what goals you have for your student as we move into the new school year.

Lastly, we will have an opportunity for families to pick up the belongings their student left in their locker. The pick up day will be Friday, May 29th from 10am-2pm. If you and your family are unable to pick up the items left behind in the locker, we will store them for you. During this time, you could drop off library books that are still at home. As always, if you have questions or would like to connect, please reach out to me directly at: bmartinez@hiawathaacademies.org or 262-664-0952

Sincerely, Ms. Martinez- Cruz
